General Information For C Corporations

Corporations Subject To Income Tax:

Sections 40-18-2 and 40-18-31, *Code of Alabama 1975*, impose an income tax on every corporation doing business in Alabama or deriving income from sources within Alabama including income from property located in Alabama and on every corporation licensed or qualified to transact business in Alabama except for those corporations specifically exempted by §40-18-32.

Filing Requirements:

Every corporation, joint stock company, or association subject to income tax under Title 40, *Code of Alabama 1975*, is required by §40-18-39 to file a return with the Alabama Department of Revenue for each taxable period, stating gross income and allowable deductions and credits. Penalties will be added for failure to timely file, failure to timely pay, or fraudulent filing. The Commissioner of Revenue is authorized to distribute, apportion or allocate income and deductions of related taxpayers to clearly reflect the income of the entities. See §40-18-35(b)(5).

Consolidated Filing:

An Alabama Affiliated Group may elect to file an Alabama consolidated return. An Alabama consolidated return means an Alabama corporate income tax return filed by or on behalf of the members of an Alabama Affiliated Group. The election is made by filing Form 20C-CRE (Election to File Consolidated Corporate Income Tax Return). The completed election form must be submitted to the department on or before the due date, with extensions, for the first taxable year for which the election is applicable.

In accordance with §40-18-39, for tax periods beginning January 1, 2002, and after, Alabama Affiliated Group means a group of corporations, each member of which is subject to tax under §40-18-31 and Public Law 86-272 which are

members of an Affiliated Group for Federal purposes and file a Federal Consolidated Corporate Income Tax Return. Each member shall allocate and apportion their Alabama taxable income and losses separately, using separate apportionment factors. The sum of the separate company amounts are then reported on a single Alabama return for the Affiliated Group. All transactions between and among members of the Alabama Affiliated Group shall be reported on an arm's length basis. (Attach a completed Schedule 20C-AAGIS.) The 20C-AAGIS shows each **Alabama nexus** separate company computation, in arriving at the **Alabama taxable income**. Once the separate company computations have been made, **Alabama taxable income is summed** for all the Alabama nexus companies, and brought forward to page 1 of the consolidated 20C. (The consolidated 20C should begin with line 14, "Alabama taxable income".) The election is made by the common parent of the Alabama Affiliated Group as the agent for all the members. If the common parent is not a member of the Alabama Affiliated Group, the members shall designate to the Department which member of the group shall serve that role for this purpose. The election is binding and irrevocable for a period of 120 consecutive months, beginning with the first month of the first taxable year for which the election is made and ending with the conclusion of the taxable year in which the 120th consecutive month expires.

NOTE: An Alabama real estate investment trust and its qualified real estate investment trust subsidiary are permitted to file on a consolidated basis without the above elections.

When To File:

ORIGINAL DUE DATE. The return for calendar year 2005 is due on or before March 15, 2006. For fiscal year or short-year taxpayers, the return is due on or before the 15th day of the 3rd month following the close of the tax period.

Which Form To Use:

FORM 20C. Corporations must file Form 20C, Corporation Income Tax Return, unless (1) a valid election is in effect to be an S corporation under 26 U.S.C. §1362, (2) a valid election is in effect to be a qualified subchapter S subsidiary under 26 U.S.C. §1361(b)(3) and all of its stock is owned by an Alabama S corporation, or (3) the corporation has exempt status under §40-18-25(e), 40-18-25(f), or 40-18-32 and the corporation has no unrelated business taxable income.

Estimate/Extension/Informational Requirements:

FORM 20-CD. Corporation Estimated Tax Voucher. A corporation, which will have an Alabama income tax liability in excess of \$5,000, must pay estimated tax based on the current year's liability. The first payment is due by the 15th day of the 4th month of the taxable year. The 2nd, 3rd, and 4th filings and payments are due by the 15th day of the 6th, 9th, and 12th months, respectively.

To obtain a 20CD or 20E coupon visit our Web site at www.revenue.alabama.gov. **When payments are made by EFT, the Forms 20-CD and 20-E must still be remitted.**

Section 40-18-80.1 provides for underpayment of estimated tax penalty in an amount determined by applying the underpayment rate established under 26 U.S.C. §6621.

Amount of required installments shall be 25 percent of the required annual payment. Required annual payment generally means the lesser of a) 100 percent of the tax shown on the return for taxable year, or b) 100 percent of the tax shown on the return of the corporation for the preceding taxable year.

Large corporations (taxable income of \$1,000,000 or more for taxable year during the testing period) are required to pay 100 percent of the current year tax. The prior year exception shall not apply in the case of a large corporation.

Visit our Web site for additional information on current tax law changes.

FORM 20-E. Payment Voucher and Extension Request. Form 20-E may be

used to request an extension of up to six (6) months for filing a return. It may also be used as a payment voucher. If estimated payments do not equal or exceed the amount of tax due for the period, the balance of the corporation's tax liability is due on or before the original due date of the return. Form 20-E should be submitted with the payment if the return is to be filed under extension.

A copy of the Federal Form 7004 may be used to extend for 6 months if there is no tax due. The Federal Form 7004 must be attached to the return and the return must be filed within the 6-month period.

If the Federal Form 7004 is attached, check the box on the front page of Form 20C. Attach the Form 7004 directly after the 20C and before the 1120.

Returns or payments bearing a U.S. Postal Service cancellation no later than midnight of the due date (with extensions) will be considered timely filed.

CIVIL PENALTIES. Section 40-2A-11 provides additional penalties for (1) failure to timely file, (2) failure to timely pay, (3) underpayment due to negligence, and (4) underpayment due to fraud. These penalties may be assessed in addition to the penalties provided by §40-18-80.1, without regard for the underestimation exceptions provided for in that section.

ELECTRONIC FUNDS TRANSFER. Section 41-1-20 requires the use of Electronic Funds Transfer (EFT) for all single tax payments of \$25,000 or more. Taxpayers must register to use EFT when contacted by the EFT Unit, and substantial penalties can be assessed for noncompliance. Call the Alabama Department of Revenue EFT Hotline at (334) 242-1819 or 1-800-322-4106 for further information.

Failure to attach the complete federal return with the necessary supporting schedules (such as Schedule D, Form 4797 and spreadsheet of income statements for all corporations included in the Federal Consolidated Return) may result in the imposition of delinquent penalties. It is not necessary to include itemized depreciation schedules with the return if the information is maintained with the company records and is available upon request.

Filing a **CONSOLIDATED RETURN** is not permitted unless filing entities are an Alabama real estate investment trust and is qualified real estate investment trust subsidiary or have elected to file a consolidated corporate income tax return under the provisions of §40-18-39. Use Schedule A to itemize these reconciliation adjustments.

NOTE: Sections 40-18-33, 40-18-34, and 40-18-35 define Alabama corporate taxable income, and the definition was revised for taxable years beginning on or after January 1, 2001.

For taxable years beginning after December 31, 1984, a net operating loss may be carried forward for a maximum of 15 years. There is no provision in Alabama tax law that allows corporations to carry a net operating loss back to prior taxable years.

NOTE: Any amount claimed as a federal net operating loss deduction must be added back to federal taxable income on Alabama Form 20C page 1, line 2.

The Alabama net operating loss deduction is limited to net operating losses incurred by a corporation which did business in Alabama and filed Alabama corporate income tax returns in prior taxable years. **(You must attach copies of the Alabama corporate income tax returns (page 1 only) for all applicable years that are more than six years old. This would include tax periods where the net operating loss was used.)**

This schedule should be used only by taxpayers whose only activity in Alabama consists of sales and does not include owning or renting real estate or tangible personal property, and whose gross Alabama sales does not exceed \$100,000.00.

LINE 1. Enter gross receipts from Alabama destination sales except sales to the U.S. government. This includes total gross receipts from sales of tangible property shipped to Alabama from locations within and without Alabama.

LINE 2. Enter the amount of sales shipped from an Alabama origin to any state or foreign country where this corporation is not taxable. Also enter total sales to the U.S. government shipped from Alabama.

LINE 3. In the Alabama column, enter the total of lines 1 and 2. In the Everywhere column enter total sales for everywhere. If this amount does not correspond with line 1 of Federal Form 1120, attach an explanation and reconciliation.

Instructions for Schedule E

This schedule should be used to compute the amount of the corporation's federal income tax deduction allowable for/apportioned to Alabama. This schedule also includes the amount of refund to be deducted, if any, received or accrued in that year according to the taxpayer's method of accounting.

If this corporation is a member of an affiliated group which files a consolidated federal return, check the appropriate block to indicate the election made under 26 U.S.C. §1552. Attach a copy of the workpaper showing the computations made in allocating the consolidated tax liability to the separate corporations in the affiliated group.

LINE 1. Accrual-basis taxpayers should enter the amount of the corporation's net federal income tax liability (or share of the consolidated liability if included in a consolidated return) – See Reg. 810-3-35-.01. The federal liability should correspond to Federal Form 1120, Schedule J, except for the Environmental Tax (deducted on the 1120).

Cash-basis taxpayers filing separate federal returns should enter on line 1 the amount of payment forwarded to the Internal Revenue Service (or share of the payment forwarded to the Internal Revenue Service if included in a consolidated federal return).

Real estate investment trusts should not include the tax imposed by IRC §857(b)(6) on prohibited transaction as part of the federal tax deduction.

LINE 2. Enter the amount of Alabama income from line 10, page 1.

LINE 3. Enter the amount of total net income adjusted to Alabama basis from line 4, page 1.

LINE 4. If the amounts on line 2 and line 3 are greater than zero, divide the amount on line 2 by the amount on line 3. If the amounts on line 2 and/or line 3 are zero or less than zero, enter zero. This is the FEDERAL INCOME TAX APPORTIONMENT PERCENTAGE.

LINE 5. Multiply the amount of federal income tax attributed to this corporation as shown on line 1 by the FEDERAL INCOME TAX APPORTIONMENT PERCENTAGE as shown on line 4. Enter the result on line 5.

LINE 6. If a corporation takes a deduction for federal income tax on its Alabama return and in a later year all or a portion of the tax claimed as a deduction is refunded by the Internal Revenue Service, the taxpayer is required to recognize the refund on its Alabama return to the extent of the benefit received in the prior year.

Cash-basis taxpayers recognize the refund in the year in which it is made by the Internal Revenue Service. Accrual-basis taxpayers recognize the refund in the year in which it accrues. An accrual-basis taxpayer receiving a refund as a result of carrybacks of deductions and/or credits to prior years' federal returns accrues the refund in the year in which the final event which caused the carrybacks occurred.

Multistate taxpayers filing separate federal returns (not requiring allocation of the refund among members of a consolidation) should apportion the refund to Alabama using the following steps:

(1) If the total refund received or accrued results from a carryback to more than one previous year, identify each of the years to which the carryback is applied and designate the amount attributable to each year.

(2) Multiply the amount of refund attributable to each year by the same percentage used to apportion income to Alabama on that year's return as last reported or audited.

(3) Add the results obtained in Step 2 for all years.

(4) Enter the total on line 6.

A multistate taxpayer filing its federal return as a member of a consolidated group must apportion the refund to each member of the group at the same ratio that the tax deduction being refunded was originally apportioned. See Reg. 810-3-35-.01(1)(b)4.

After the amount of refund attributable to the separate corporation has been determined for each year, the four (4) steps provided above for corporations filing separate federal returns may be followed in determining the amount of federal income tax refund to be entered on line 6.

LINE 7. Subtract line 6 from line 5. If line 5 is larger than line 6, enter the net federal income tax deduction on line 7 and carry to line 11 of page 1.

If line 6 is larger than line 5, enter the net federal income tax refund on line 7 and carry to line 11 of page 1.
